The Devil's House!

By Zoe Jobbins 5th Class

It was Halloween day and I was in a spooky mood. My friends and I were going to look for some good houses to go trick or treating at. We suddenly bumped into Bob, Mike and Vanessa our school bullies. Without a second thought I pushed my friends Tom and Sarah into a bush to hide. I didn't realise how high the drop on the other side of the bush was and we ended up tumbling down a steep hill. We dusted ourselves off and looked up from where we had fallen from and knew it would be impossible to go back up the same way.

We searched for quite a while to find a way back up but there was no way out. We had no choice but to go through the spooky woods. 'w..w..we have to go in there?' Sarah asked with a shaky voice. 'Yes let's go' I said pretending not to be scared. We came across a hair-raising house 'come on let's keep going. I don't like the look of this house.' I said with a shaky voice. 'But we have to go in it's starting to rain' explained Tom. Sarah and I both nervously agreed.

As soon as we entered we immediately saw something scurry across the floor. It was way too big to be any kind of animal and also it looked like it was wearing some sort of cloak.

‘That’s it I’m not staying here with that thing!’ Sarah squealed and frantically tried to open the door but it seemed to be locked. ‘let’s just try to get some rest for now’ Tom said with a frightened tone in his voice. Before we knew it midnight had set in only for Tom and I to be woken by a terribly alarming scream coming from Sarah. We searched the house high and low calling out for Sarah but there was no sight or sound from her. We came to the last room to see it was covered in blood and someone or something left a message for us. Written in the blood on the wall was ‘**DEATH AND DARKNESS WILL COME!!**’. Totally terrified Tom and I both tried to run away as fast as possible but something seemed to have had us caught. We turned around and saw a huge shadowy gory devil. I managed to break free and run away but as for poor Tom and Sarah they were never seen again.

treaters visited every year.

There were vampires, skeletons and witches and they all got chased by a zombie.

The Trick or Treaters

By Chelsea Molloy

One day a witch was in a Haunted House. She was eating some brains. Trick or treaters arrived at her door and went into the house. They saw lots of coffins and killer clowns. They were terrified. They ran out of the house.

As they began to run, they saw a skeleton running down the road so they ran back into the house and then a killer clown popped out of nowhere. They ran straight out of the house again and ran back home.

While they were running this time they saw a werewolf who looked like he wanted to eat them.

They screamed

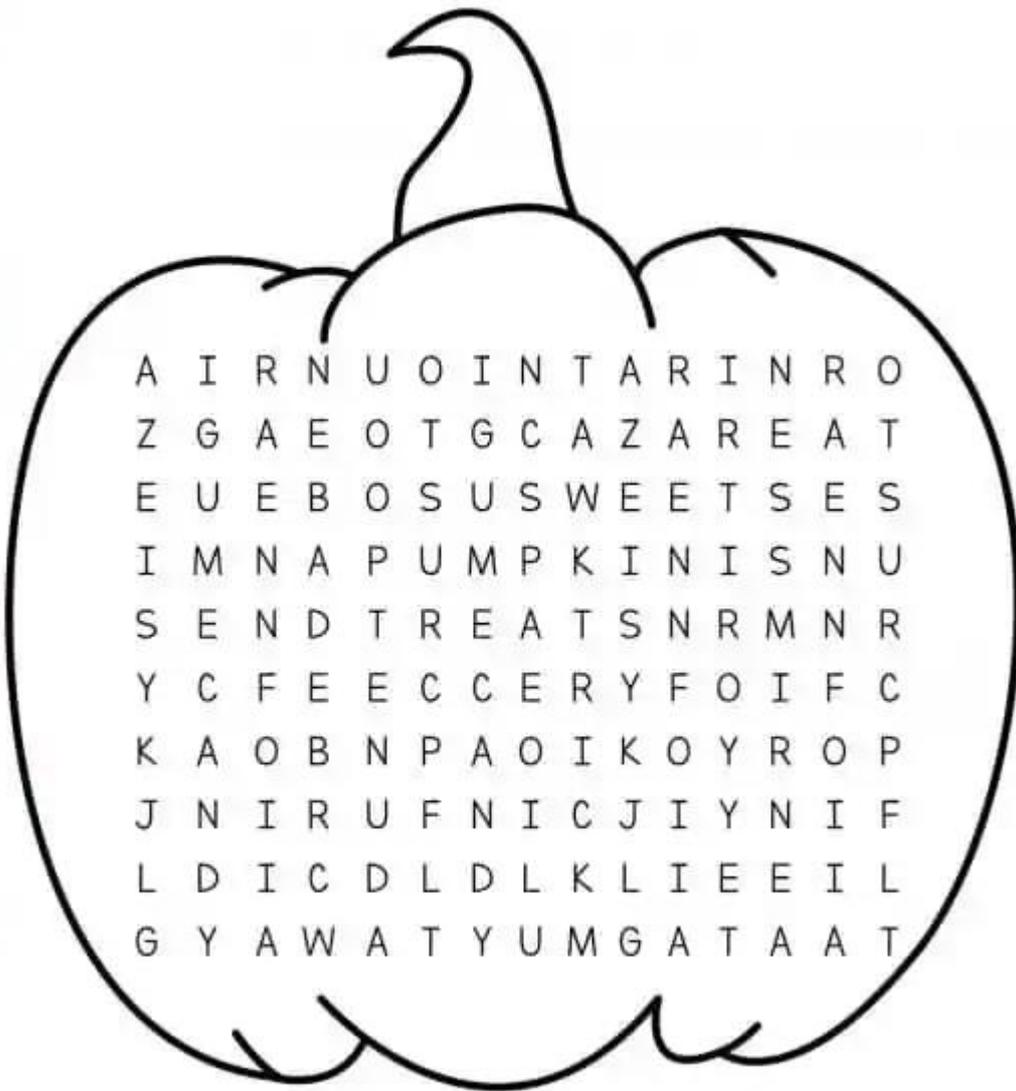

'Help, please help!'. Luckily, a bat came swooping down and magically grabbed them. They waved goodbye to the werewolf!

The Zombie Apocalypse

By Ase Maruso

It all started in Ireland in 2022 when Bob ate the carnage symbiote. He started to shake and ran to a grave. He spat small bits of the carnage symbiote on the graves of the dead people.

The dead people then came out of their graves. They were zombies and feasted on people on the road. People were going crazy and it was all over the news. Zombies were driving cars, crashing into people and eating brains.

Luckily, I managed to escape from them but they were chasing after me. It was the scariest thing of my life. Suddenly, a star came crashing down from the sky and a tsunami struck. It drowned the Zombies so the apocalypse ended.

THEM

By Holly Comerford

In Australia it was a dark Halloween night. It was 9pm and the news came on. A clown came up from the suers. He was last seen on Halloween night in 1965, People don't know how he is still alive. 449 people died because of him. His name is THEM.

I was watching him on the news and suddenly the lights turned off. 'Who's there?' I asked. 'It's THEM' a voice replied. My friend and I were shaking. Next thing I know I see her getting shot. I ran out of the house screaming for help. I was going to ring my mum and dad but it was too late, she was dead.

4 years later I asked 'Mom can I go and see Olivia's grave?' I went to see it but got caught by THEM. Me and Olivia will now return together this Halloween.

The Haunted Graveyard

By Eamon O'Brien

A few years ago trick or treaters went into a graveyard to find a house but they made a mistake...there was no house! It was a hole full of monsters such as werewolves, zombies, ghosts and witches. The monsters escaped and but the ghostbusters were there in seconds. They were too scared so they just went home!

Meanwhile the monsters were tearing gravestones while the ghosts were transforming people into monsters. The citizens had enough they called the army and FBI to deal with it. They started a battle that lasted long after Halloween, eventually the FBI won.
